

# How Do You Choose the Right Material for **EVERY** Job? Check Here!

With so many types of fabrics and garments available, we want to ensure you select the right Stahls' material or media for every job. This reference chart will help guide you through the selection process by cross referencing some of the most frequently used fabrics with our products. Keep it handy, we think this will become a great resource and a valuable checklist for you.

Additional recommendations can be found at [StahlsID.com](http://StahlsID.com)

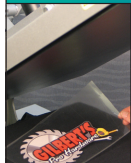

Due to the combination of fabrics, weaves, and dyes used in the textile industry, Stahls' recommends and provides samples of our materials and medias for testing.

| 100% Cotton | 100% Preshrunk Cotton | 100% Polyester | Lycra®/Spandex Blends | Nylon | Sublimated Polyester | Cordura® | Small Hard Goods | Leather | Neoprene |
